Il candidato illustri:

1. L'autonomia statutaria del comune
2. Il servizio di protocollo comunale
3. Il Documento unico di programmazione: struttura e approvazione

Il candidato legga e traduca:

In a hole in the ground there lived a hobbit. Not a dirty hole with nothing in it to sit down on or to eat: it was really comfortable.

It had a perfectly round door, painted green. The door opened on to a hall like a tunnel provided with lots and lots of chairs, - the hobbit loved visitors.

The tunnel went into the side of the hill and many little round doors opened out of it, first on one side and then on another. The best rooms were all on the left-hand side, because they were the only ones to have windows, round windows looking over from the garden to the river.

TRACCIA N.2

Il candidato illustri:

1. L'autonomia regolamentare del comune
2. Principali compiti dei servizi demografici comunali
3. Il bilancio di previsione: struttura e approvazione

Il candidato legga e traduca:

The hobbit was a very rich hobbit, and his name was Baggins. The Bagginses had lived in the neighbourhood of The Hill for lot of time, and people considered them very respectable, not only because most of them were rich, but also because they never had any adventures or did anything unexpected: you could know what a Baggins would say without asking him.

This is a story of how a Baggins had an adventure, did and said unexpected things. He may have lost the neighbours' respect, but he gained something important for himself in the end.

TRACCIA N. 8

Il candidato illustri:

1. Le funzioni del comune
2. Principali compiti dell'ufficio tecnico comunale
3. Il piano esecutivo di gestione

Il candidato legga e traduca:

But what is a hobbit? I suppose hobbits need some description, because they have become rare and shy. They are (or were) a little people, about half our height, and smaller than Dwarves.

There is no magic about them, except the ordinary magic which helps them to disappear quickly when people like you and me come near, making a noise like elephants. They dress in bright colours (green and yellow); wear no shoes, because their feet are really strong; have good faces, and easy laughing (especially after dinner, which they have twice a day). Now you know enough to go on.

TRACCIA N. 5

Il candidato illustri:

1. La composizione e le funzioni del consiglio comunale
2. La responsabilità civile del dipendente comunale
3. Le fasi dell'entrata: l'accertamento

Il candidato legga e traduca:

One morning long ago in the quiet of the world, when there was less noise and more green, and the hobbits were still numerous and prosperous, and Bilbo Baggins was standing at his door after breakfast, smoking an enormous long pipe, Gandalf came. If you had heard only a quarter of what I have heard about him, you would be prepared for any sort of great tale.

Tales and adventures borned wherever he went, in the most extraordinary way. He had not been there for ages and ages, and the hobbits had almost forgotten what he looked like.

TRACCIA N. 3

Il candidato illustri:

1. La composizione e le funzioni della giunta comunale
2. La responsabilità penale del dipendente comunale
3. Le fasi dell'entrata: la riscossione

Il candidato legga e traduca:

All that Bilbo saw that morning was an old man with a staff. He had a tall pointed blue hat, a long grey cloak, a silver scarf and a white beard.

"Good morning!" said Bilbo. Gandalf looked at him "What do you mean?" he ask. "Do you wish me a good morning, or are you saying that you feel good this morning?"

"All of them at once," said Bilbo. "And a very good morning for a pipe of tobacco out of doors. If you have a pipe, sit down with me! There's no hurry, we have all the day before us!"

TRACCIA N. 7

Il candidato illustri:

1. Le funzioni del sindaco
2. La responsabilità amministrativa del dipendente comunale
3. Le fasi dell'entrata: il versamento

Il candidato legga e traduca:

Bilbo sat down on a seat by his door and blew out a beautiful grey ring of smoke.

"Very pretty!" said Gandalf. "But I have no time to blow smoke-rings this morning. I am looking for someone to share in an adventure, and it's very difficult to find anyone."

"I should think so in these parts! We are quiet people and have no use for adventures. Make you late for dinner!" said Mr. Baggins.

But the old man did not move. He stood watching at the hobbit without saying anything.

"Good morning!" Bilbo said at last. "We don't want any adventures here, thank you!".

TRACCIA N. 9

Il candidato illustri:

1. Il responsabile del procedimento
2. La responsabilità contabile del dipendente comunale
3. Le fasi della spesa: l'impegno

Il candidato legga e traduca:

"I don't know your name" said Bilbo Baggins.

"Yes, you know it, my dear sir, and I know yours, Mr. Bilbo Baggins. You simply don't remember it. I am Gandalf, and Gandalf means...me!"

"Gandalf, Gandalf! Not the wizard that gave my mother a pair of magic diamonds? Not the one who used to tell wonderful tales at parties, about dragons and goblins and giants and the rescue of princesses? Not the man that used to make those particularly excellent fireworks! I remember those! Splendid!"

TRACCIA N. 4

Il candidato illustri:

1. L'accesso civico
2. La responsabilità disciplinare del dipendente comunale
3. Le fasi della spesa: l'ordinazione

Il candidato legga e traduca:

Gandalf was standing outside the door, laughing. After a while he went away, exactly when Bilbo was finishing his second cake. The next day he had almost forgotten about Gandalf. He did not remember things very well. Just before tea-time came a tremendous ring on the front-door bell, and then he remembered the meeting!

"I am so sorry to keep you waiting!" he said, when he saw that it was not Gandalf. It was a dwarf with a blue beard, and very bright eyes under his dark-green hood.

TRACCIA N. 6

Il candidato illustri:

1. Il principio di separazione fra funzione di indirizzo politico ed attività gestionale attuativa
2. I doveri del pubblico dipendente
3. Il fondo di riserva

Il candidato legga e traduca:

"Balin at your service!" the dwarf on the door said. "Thank you!" said Bilbo, extremely surprised. "Come in, and have some tea!".

"A little beer would be better, my good sir," said Balin with the white beard. "But I don't mind some cake, if you have any."

"Lots!" Bilbo answered and run into the kitchen. When he came back Balin and Dwalin were talking at the table like old friends (they were brothers). Bilbo put down the cake in front of them, when the bell rang again.

"This time it must be Gandalf" he thought. But it was not. It was two more dwarves.
